Crime Watch Information

April 12, 2007

Hello Everyone:

The Crime Watch program continues to grow in the Fishers community. With our growth, we are pleased to announce a partnership with the Hamilton County Prosecutor's Office. The Community Prosecution Unit of the Hamilton County Prosecutor's Office hired Deputy Prosecutor Lori Spillane and assigned her to the Town of Fishers. Lori Spillane will work in partnership with the Fishers Police Department, other agencies, and the community to aggressively and creatively combat crimes that impact our quality of life.

Crime Watch is an excellent way for the police department and the community to share information. Crime Watchers continue to be credited with solving many crimes in Fishers. When neighbors are watching out for each other, everyone benefits!

The attached spreadsheets include a list of reports taken in February and March of 2007. Please review the list to see what is happening in your neighborhood. As spring arrives, please take a moment to also review the attached Safety Tips. If you see suspicious activity, call the police immediately. (911 or 773-1282)

Thank you for volunteering to assist in the valuable program. If anyone has questions, please contact me at the police department.
